

MUHAMMAD SAIM KHAN

Front-end Developer

About Me

As a dedicated front-end developer, I am passionate about creating engaging and user-friendly web interfaces. Proficient in HTML, CSS, and JavaScript, I specialize in utilizing frameworks like Bootstrap and Tailwind CSS to build responsive and dynamic web applications. With a keen eye for design and a commitment to delivering high-quality code, I thrive in collaborative environments where I can contribute my technical expertise to achieve project goals effectively.
